

Count me in!

If you'd like get on board the Milestones Discipleship Train, partnering with C3 Family Ministries in the discipleship of your kids, we are excited to have you! You are the conductor, making sure to keep on track, as we partner together for the spiritual discipleship of your kids. Ready to go?!

Here's what we'd like you to do first!

1. Scan this QR code, below, to get you signed up!

2. **Purchase the book**, [The Legacy Path](#) by Brian Haynes. Because we base much of Milestones on this book, it will be a very good resource for you as mom/dad! **Read it** over the next 8 weeks, and discuss it with either your Community Group, another couple, or at least, with a friend or spouse. The discussion questions at the end of each chapter will help generate application ideas for your family.

2. **Sign up** for the [Parent Seminars](#) (in early fall and early spring) that match the stage of your child, and any/all of the other Parent Seminars. It will not only bless you, but will be a blessing to other parents to learn from you!

4. If you'd like to either **order a hard copy** of the [C3 Milestones Complete Notebook](#) (for the cost of replication) or, download it [HERE](#). In it, you'll find all the parent seminar notes, 7 Milestones, and all the other parental supplements you'll be using along the track of your children's lives.

5. According to Nobel prize-winning scientist Daniel Kahneman, each of us experience 20,000 moments in each day. If you plan your days, you can easily **prioritize your daily schedule** and accomplish what's vital, namely, your relationship with Jesus. Spend time with Him. This is the GREATEST thing you can do for your kids spiritually. Secondly, love and lead your family. You have plenty of opportunities for God Moments and Faith Talks with your kids.

Thank you for joining in on this Milestones adventure!

Pray, and trust God to accomplish His will in your life and in the lives of your family. (Psalm 138:8)

Todd Rapp

C3 Pastor of Family Discipleship
